PROFESSIONAL SUMMARY

Computer Engineering undergraduate with a 9.34 CGPA and First-Year College Topper, specializing in full-stack web and mobile application development. Experience building production-oriented systems with React, Node.js, Express, MongoDB and Flutter, including REST APIs, authentication, payments, real-time workflows and GIS-based routing. Strong foundation in DSA, OOP and DBMS, with experience leading project teams and delivering end-to-end software features.

EXPERIENCE

CODTECH IT SOLUTIONS PVT. LTD. | MERN Stack Web Development Intern | Jun 2026 – Jul 2026

- Developed MERN-based application features using React, Node.js, Express and MongoDB during a 4-week internship.
- Implemented REST API integration and database-backed workflows with modular frontend and backend components.
- Used Git/GitHub for version control and structured feature development.

PROJECTS

Relay Trucking | Driver Relay & Custody Management Platform | *React, Vite, Tailwind CSS, Node.js, Express, MongoDB, REST APIs*

- Engineered a trucking relay platform coordinating loads, drivers, relay points and multi-step custody handovers.
- Implemented authentication, fleet/load assignment, geolocation, relay matching/proposals and two-party custody exchange workflows.
- Built Driver Dashboard, Relay Radar and Handover interfaces with ETA, geofence/proximity checks, matching states, inspection and custody confirmation.
- Validated the backend with 249/249 automated tests in the latest Phase G validation.

NER-SMART | Route Intelligence & Resilience Platform — SIH 2026 | *React, Vite, Tailwind CSS, Node.js, Express, MongoDB, Flutter, Leaflet/OpenStreetMap*

- Led a 5-member Smart India Hackathon team developing disaster-aware logistics intelligence for incident, route accessibility and operational alerts.
- Connected field incidents, road conditions and disaster alerts to deterministic risk scoring, cargo-aware graph routing and alert generation.
- Built REST APIs/MongoDB services with a Flutter field app and React GIS dashboard; backend validation recorded 229 automated tests passing.

Society Ledger | Housing Society Management Platform | *Flutter, Dart, Node.js, Express, MongoDB, Riverpod, Firebase, Razorpay*

- Developed an end-to-end platform for role-based administration, maintenance billing, ledger transactions, complaints, events and inventory/documents.
- Integrated Firebase Phone Auth/JWT authentication, Razorpay payments, FCM notifications and PDF receipts/statements.

AI Content Generator | Full-Stack AI Application | *React, Vite, Tailwind CSS, Node.js, Express, MongoDB, JWT, bcrypt, Gemini API*

- Built an authenticated AI content generation application with persistent generation history and MongoDB-backed CRUD workflows.
- Integrated Gemini API with JWT/bcrypt authentication and modular REST services.

Company HR ERP | DBMS & REST API Project | *MySQL, Flask, SQL, HTML, CSS, JavaScript*

- Designed normalized relational models for employees, departments, projects, dependents and role-based access.
- Implemented SQL views, stored procedures, functions and triggers with a Flask REST API for role-specific workflows.

TECHNICAL SKILLS

Languages: Java, JavaScript, Python, C, SQL, Dart

Frontend: React.js, Vite, Tailwind CSS, HTML5, CSS3, Redux

Backend: Node.js, Express.js, REST APIs

Mobile: Flutter, Riverpod, GoRouter

Databases: MongoDB, MongoDB Atlas, MySQL, Oracle

Cloud / Services: Firebase, JWT, bcrypt, Gemini API, Razorpay, Stripe

GIS / Systems: Leaflet, OpenStreetMap, GeoJSON, graph routing

CS Fundamentals: Data Structures & Algorithms, OOP, DBMS

Tools: Git, GitHub, VS Code, IntelliJ IDEA

EDUCATION & LEADERSHIP

- B.E./B.Tech. in Computer Engineering — Terna Engineering College, Navi Mumbai | University of Mumbai | 2023–2027 | CGPA: 9.34
- First-Year College Topper
- Team Leader since First Year — coordinated project teams, development responsibilities and delivery.
- Current Team Leader — Ctrl_Alt_Elite, Smart India Hackathon 2026; led a 5-member team developing NER-SMART.
- HSC — Mahila Samati Junior College — 2023 | 92.83% • SSC — N.E.S. High School, Bhandup — 2021 | 95%
